DESCRIPTION

This act raises the aggregate amount of contributions that a candidate for certain judicial offices, political party offices, and certain local government offices may receive before being required to file an exemption statement with the Missouri Ethics Commission in order to avoid forming a campaign committee and filing disclosure reports. The act raises the dollar limit from \$1,000 to \$5,000.

The amount of contributions and expenditures that a campaign committee may make and receive before being required to file quarterly disclosure reports is increased from \$500 to \$5,000.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
