FISCAL ANALYSIS

ASSUMPTION

Officials of the **Jasper County Commission** assume the County's Salary Commission would have to approve any of the new maximum salaries allowed. Officials assume no fiscal impact unless the Salary Commission would approve the new salary structure.

Officials of the **Clay County Commission** assume the County's Salary Commission would have to approve the new salary allowed. Therefore, officials assume no fiscal impact.

Officials of the **Mo. Department of Conservation** assume restricting the County Clerks from keeping license fees would have no fiscal impact on the Commission.

Oversight assumes this proposal allows the reimbursement of training expenses and requires Counties to reimburse training expenses, subject to appropriation. **Oversight will show cost as \$0 or (Unknown) to counties.** Oversight assumes the payment of training expenses would be subject to appropriation by the County Commission. (Section 51.281)

ASSUMPTION (continued)

Oversight assumes the provisions of Sections 54.320 **would require** counties to allow Treasurers Ex Officio Collectors in Third and Fourth Class Counties with a Township form of government “to employ not less than one full-time deputy”. Current law only states that the Treasurer is “entitled to employ deputies and assistants”.

Oversight assumes in Third and Fourth Class Counties, with a Township form of government, that currently do not allow the Treasurer Ex Officio Collector one Deputy, would be required to allow the Treasurer Ex Officio Collector one Deputy. Oversight assumes those counties would have salary cost of at least one Deputy. Oversight will show costs as \$0 if a county currently allows one Deputy, or Unknown if the county must provide salary for one Deputy.

Oversight checked with officials of the Secretary of State’s Office and determined there are 112 counties that have a County Clerk. The other counties and the City of St. Louis have Boards of Election Commissions. Oversight assumes if each County Clerk were to receive \$7,500 additional salary, **the fiscal impact on a statewide basis would be 112 x \$7,500 = \$840,000 annually.** (Section 51.283)

Oversight assumes the increase in salary allowed in Section 473.742, the Public Administrator, would have to be approved by the County Salary Commission, since the Public Administrator is a member of the County Salary Commission (Section 50.333).
