FISCAL ANALYSIS

ASSUMPTION

Officials of the **Office of Secretary of State-Elections Division** stated this proposal would require new voter's to present a copy of a birth certificate or other proof of United States Citizenship at time of registration. It also proposes to change the Missouri "Application for Registration" by adding the above information to a line on the form itself. This change of the form itself would have a potential cost of \$16,963.80 for the first 500,000 cards printed.

Officials of the **Department of Revenue-Motor Vehicle Division** stated this proposal would have no fiscal impact.

Officials of the **St. Louis County Board of Election Commission** assume no fiscal impact.

Officials of the **Kansas City Election Board** assume any cost would be for processing registrations and would be minimal.
