FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Revenue** and the **City of Raytown** assume there will be no fiscal impact to their respective agencies.

Officials from the **City of North Kansas City** did not respond to our request for fiscal impact.

In response to a similar proposal from this session (SB 862), officials from the **City of Van Buren** state the city has two motels that have approximately forty-five (45) rooms for lodging on a 12-month basis, a one room apartment that is for transient rental, and the city also has two (2) campground businesses that would also be required to collect this tax with approximately thirty RV sites for lodging at each location. Officials estimate the total the city could possibly receive if all rooms and sites were rented every night would be \$78,720. The City would be in favor of implementing the transient guest tax.

Oversight assumes this proposal increases the tax not to exceed 5% that the cities of Raytown, Van Buren, and North Kansas City could charge a guest of hotels and motels and other businesses that offer sleeping rooms. Oversight assumes the tax could not be implemented without voter approval. Therefore, Oversight assumes this proposal to be permissive and there would be no state or local fiscal impact.

<u>FISCAL IMPACT - State Government</u>	FY 2011 (10 Mo.)	FY 2012	FY 2013
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

<u>FISCAL IMPACT - Local Government</u>	FY 2011 (10 Mo.)	FY 2012	FY 2013

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
