FISCAL ANALYSIS

ASSUMPTION

Officials from the **Department of Natural Resources** assume Section 644.054.1 of this proposal would extend the public notice requirements of the Clean Water Commission when listing any impaired waters of the state under Section 303(d) of the federal Clean Water Act from August 28, 2010, to August 28, 2015.

Section 644.054.1 of this proposal would extend commission's authority to charge fees for construction permits, operating permits, and operator's certifications related to water pollution control from December 31, 2010, to December 2015.

Section 644.054.3(B) provides an emergency clause to make this proposal effective upon passage and approval.

Oversight assumes the revenue generated from the proposal will provide the resources needed to administer the program and the net estimated effect of the extension would be \$0.

Officials from the **Department of Agriculture** assume there will be no fiscal impact to their agency.

FISCAL IMPACT - Small Business

No additional impact on small business is anticipated. Small businesses that meet the requirements to secure Missouri State Operating Permits for discharge of pollutants into the waters of the state are currently paying these fees, which are now expired as of December 31, 2010.

FISCAL DESCRIPTION

This proposal extends the expiration date to December 31, 2015 for certain clean water public notice requirements and clean water permit fees charged by the Department of Natural Resources.

This proposal contains an emergency clause.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
