FISCAL ANALYSIS

ASSUMPTION

Officials from the **Office of Secretary of State (SOS)** state many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The Secretary of State's office is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to the SOS for Administrative Rules is less than \$2,500. The SOS recognizes this is a small amount and does not expect that additional funding would be required to meet these costs. However, it is also recognized that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what the office can sustain within its core budget. Therefore, the SOS reserves the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.

Officials from the **Office of Administration - Commissioner's Office** state the program will have no fiscal impact on the Alternatives-to-Abortion program.

Officials from the **Office of State Courts Administrator, the Department of Insurance, Financial Institutions and Professional Registration, the Department of Public Safety - Missouri State Highway Patrol, the Department of Corrections, the Department of Health and Senior Services, the Department of Social Services, the Missouri Consolidated Health Care Plan, the Missouri Department of Transportation, the Missouri Department of Conservation, the Office of Prosecution Services, and the Office of State Public Defender** each assume the proposal would not fiscally impact their respective agencies.

Officials from the **Office of Attorney General** did not respond to **Oversight's** request for a statement of fiscal impact.
