Fiscal Analysis

Officials at the **City of Columbia** assume no fiscal impact from this proposal.

Officials at the City of St. Louis, the City of Springfield and the City of Independence did not respond to **Oversight's** request for fiscal impact.

Oversight assumes this proposal is permissive in nature and would have no local fiscal impact without action by the governing body.

No direct fiscal impact to small businesses would be expected as a result of this proposal. Also, this legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
