Fiscal Analysis

Officials at the City of St. Louis, St. Louis County Department of Police and the St. Louis Metro Police Department did not respond to **Oversight's** request for fiscal impact. Since this provision repeals current law which specifies that the St. Louis City Sheriff may employ an attorney who may receive a salary of \$3,000 to \$15,000 per year, Oversight assumes no fiscal impact from this proposal.

No direct fiscal impact to small businesses would be expected as a result of this proposal. Also, this legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
