FISCAL ANALYSIS

ASSUMPTION

Oversight was unable to receive some of the agency responses in a timely manner due to the short fiscal note request time. Oversight has presented this fiscal note on the best current information that we have or on prior year information regarding a similar bill. Upon the receipt of agency responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval of the chairperson of the Joint Committee on Legislative Research to publish a new fiscal note.

Officials from the **Department of Insurance, Financial Institutions and Professional Registration**, the **Department of Social Services, MO HealthNet Division and Division of Legal Services**, the **Missouri Consolidated Health Care Plan**, the **Missouri Department of Conservation** and the **Missouri Department of Transportation** each assume the proposal would not fiscally impact their respective agencies.

Officials from the **Department of Public Safety, Missouri State Highway Patrol** defer to the Missouri Department of Transportation (MoDOT), Employee Benefits Section for response on behalf of the Highway Patrol. Please see MoDOT's fiscal note response for the potential fiscal impact of this proposal.

Oversight assumes the proposal will not have a fiscal impact on the **Department of Health and Senior Services** or the **Department of Mental Health** based on other agency responses.
