FISCAL ANALYSIS

ASSUMPTION

Officials at the **Department of Elementary and Secondary Education (DESE)** assume there is no fiscal impact from this proposal. DESE defers to the school district for fiscal impact.

Officials at the St. Louis City Public School did not respond to **Oversight's** request for fiscal impact.

Oversight notes this requires the St. Louis City Public Schools to work with a nonprofit to hold students that are picked up by law enforcement officers or safety officers for not being in school during school hours. Oversight assumes this proposal would not have a fiscal impact to the City or St. Louis City Public School District.

FISCAL IMPACT - Small Business

No direct fiscal impact to small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
