FISCAL ANALYSIS

ASSUMPTION

§135.1670 Prohibition on Border Incentives

In response to the previous version, officials at the **Office of Administration Division of Budget and Planning (B&P)** assumed this proposal extends the prohibition against the Department of Economic Development (DED) from issuing tax credits for the BUILD Program, New and Expanding Business Facility Program, the Urban Enterprise Loan Program, and the MO Works Program to businesses relocating from a Kansas border county to a Missouri border county, if the State of Kansas enacts similar prohibitions. If Kansas does not enact similar prohibitions, then DED will continue to issue tax credits to qualifying businesses in bordering counties. To the extent Missouri does or does not issue tax credits for these programs, General and Total State Revenues could be impacted.

In response to the previous version, officials at the **Department of Economic Development (DED)** and its Divisions anticipated no fiscal impact as a result of the proposal.

DED stated to their knowledge Kansas has not adopted such a policy.

In response to the previous version of this proposal, officials at the **Department of Revenue** assumed there was no fiscal impact from this proposal.

Oversight notes this proposal extends the prohibition on issuing tax credits to businesses that cross the Kansas/Missouri border, if the state of Kansas has enacted similar legislation. Oversight will show no fiscal impact to this proposal based on the B&P and DED responses.

Oversight contacted the Kansas Department of Commerce that confirmed they have not enacted any legislation to prohibit the provision of economic incentives to move jobs from Missouri to Kansas border counties and they are definitely providing economic incentives for jobs that may move across the border including through the PEAK Program (Promoting Employment Across Kansas).

Oversight reconfirmed on May 9, 2019, that Kansas has not enacted any legislation to prohibit the economic incentives going to companies crossing the border.

FISCAL IMPACT - Small Business

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
