FISCAL ANALYSIS

ASSUMPTION

Officials at the **Office of Administration Division of Budget and Planning (B&P)** assume this proposal will have no direct impact on General and Total State Revenues or the calculation pursuant to Article X, Section 18e.

The proposal also allows for an additional ten years of appropriations for certain sports complex funds. B&P notes any such expenditures would be subject to appropriation. To the extent new appropriations are made from General Revenue, resources otherwise available for other budget priorities will be reduced. This proposal may result in additional induced revenues, which B&P cannot estimate.

Officials at the **Department of Economic Development** and the **Office of the State Treasurer** each assume there is no fiscal impact from this proposal.

Officials at the **Jackson County** responded but did not indicate a fiscal impact.

Regarding changes to Section 67.641, according to the Office of Administration - Division of Accounting's State Debt Report as of July 1, 2018, \$5,000,000 in annual state payments are authorized for thirty years and will be paid annually through FY 2021. Therefore, **Oversight** will assume this bill will extend the time frame from 30 years to 40 years (another 10 years) of \$3,000,000 annual payments from the state for the Jackson County project (Kauffman/Arrowhead Stadiums) beginning in FY 2022.

Oversight assumes this proposal does not change the \$2,000,000 annual payment for Bartle Hall which also is set to expire in 2021.

FISCAL DESCRIPTION

Current law authorizes the state to appropriate up to \$3 million to the Jackson County Convention and Sports Complex Fund, with such authorization to expire in FY 2020. This act extends the authorization until FY 2030.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
