FISCAL ANALYSIS

ASSUMPTION

Section 344.030

Officials from the **Department of Health and Senior Services (DHSS)** assume this proposed legislation revises the criteria necessary to qualify for an initial nursing home administrator license or a temporary emergency license. Applicants applying for licensure or temporary emergency licensure under the proposed legislation would fall under the same process, fee and review as current applicants. Changing regulations and applicant licensure reviews are within the normal ebb and flow for the Division of Regulation and Licensure so minimal time and expense will be required to conduct the requirements of the proposed legislation. The department anticipates being able to absorb these costs. However, until the FY20 budget is final, the department cannot identify specific funding sources.

Oversight notes that the DHSS has stated the proposal would not have a direct fiscal impact on their organization. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.
