FISCAL ANALYSIS

ASSUMPTION

Officials at the **Office of the State Courts Administrator** and the **Office of the Attorney General** each assume no fiscal impact to their respective agencies from this proposal.

Oversight notes that the Office of the State Courts Administrator and the Office of the Attorney General each has stated the proposal would not have a direct fiscal impact on their organization. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.

Oversight notes the proposal allows for the assessment of civil penalties not to exceed \$2,500 per violation. Oversight will reflect the potential of civil penalties being collected and paid to local school districts. For simplicity, Oversight will not reflect the possibility that fine revenue paid to school districts may act as a subtraction in the foundation formula the following year.
