FISCAL ANALYSIS

ASSUMPTION

§311.680 - Alcohol

Oversight notes the **Department of Public Safety - Alcohol and Tobacco Control (DPS-ATC)** has stated the proposal would not have a direct fiscal impact on their organization. DPS-ATC does not foresee an increase or decrease in state or local revenue due to the changes proposed in §311.680.6. DPS-ATC currently has the ability to fine manufacturers and distillers. The proposed language allows for some flexibility in the amount of the fines; however, the state supervisor may impose the same amounts that are currently imposed. Less than five manufacturers in the past two years have been fined by DPS-ATC; therefore, any change in the amount of fines imposed would have minimal impact.

Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero (non-material) impact on the fiscal note.
