## FISCAL ANALYSIS

### ASSUMPTION

Officials from the **Department of Commerce and Insurance (DCI)** state that the compact will be effective when it is enacted into law in the tenth member state. It is uncertain if the compact would be enacted in FY22, FY23 or FY24. Once the compact is enacted DCI would have the following fiscal impact: \$3,000 to \$6,000 estimated annual fee to participate in the compact.

**Oversight** assumes DCI is provided with core funding to handle a certain amount of activity each year. Oversight assumes DCI could absorb the costs related to this proposal and assumes the annual fee is not material. If multiple bills pass which require additional staffing and duties at substantial costs, DCI could request funding through the appropriation process.

Officials from the **Office of Administration - Administrative Hearing Commission** anticipate that this legislation will not significantly alter its caseload. If similar bills pass, resulting in more cases, there will be a fiscal impact. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for this agency.

### Rule Promulgation

Officials from the **Joint Committee on Administrative Rules** assume this proposal is not anticipated to cause a fiscal impact beyond its current appropriation.

Officials from the **Office of the Secretary of State** notes many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The Secretary of State's office is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to Secretary of State's office for Administrative Rules is less than \$5,000. The Secretary of State's office recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, they also recognize that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what our office can sustain with our core budget. Therefore, they reserve the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.

Officials from the **Attorney General's Office**, the **Department of Public Safety - Missouri National Guard**, the **Missouri House of Representatives** and the **Missouri Senate** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

<u>FISCAL IMPACT – State Government</u>	FY 2022 (10 Mo.)	FY 2023	FY 2024
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

<u>FISCAL IMPACT – Local Government</u>	FY 2022 (10 Mo.)	FY 2023	FY 2024
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

FISCAL IMPACT – Small Business

Small business occupational therapist and occupational therapy assistants would now be eligible to practice in other member states and could be fiscally impacted as a result of this proposal.

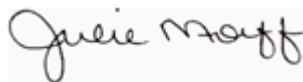

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
