FISCAL ANALYSIS

ASSUMPTION

Oversight was unable to receive some of the agency responses in a timely manner due to the short fiscal note request time. Oversight has presented this fiscal note on the best current information that we have or on prior year information regarding a similar bill. Upon the receipt of agency responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval to publish a new fiscal note.

§§324.001 – 327.750, 537.033, 621.045 and the repeal of §§324.406 - 324.436 – Interior Designers

Oversight assumes this proposal repeals the Interior Designer Council Fund (1877) and modifies the State Board for Architects, Professional Engineers, Professional Land Surveyors, and Professional Landscape Architects, and Licensed Interior Designers Fund (0678) to include Licensed Interior Designers. Oversight assumes revenue collected from the licensing of interior designers would now be deposited into the State Board for Architects, Professional Engineers, Professional Land Surveyors, Professional Landscape Architects, and Licensed Interior Designers Fund (and expenses (if any) would be paid from said fund).

According to DCI, revenue projections for licensing interior designers are \$1,260 in FY 2026 and \$7,460 FY 2027 (biannual renewal). Since this is an immaterial amount for fiscal note purposes, Oversight will not reflect the transfer from the current Designer Council Fund to the State Board for Architects, Professional Engineers, Professional Land Surveyors, Professional Landscape Architects, and Licensed Interior Designers Fund.

Oversight notes the current balance of the Interior Designer Council Fund (1877) is \$23,513.

In response to similar legislation HB 2353 (2026), officials from the **Office of the State Courts Administrator**, **Office of Administration**, **Office of the State Public Defender** and **Office of the State Auditor** each assumed the proposal will have no fiscal impact on their respective organizations.

Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

§337.600 – Social Workers

Officials from the **Department of Commerce and Insurance** assume the proposal will have no fiscal impact on their respective organization.

In response to similar legislation HB 1963 (2026), officials from the **Department of Social Services** assumed the proposal will have no fiscal impact on their organization.

Oversight notes that the above-mentioned agencies have stated the proposal would not have a direct fiscal impact on their organization. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.

Responses regarding the proposed legislation as a whole

Officials from the **Department of Commerce and Insurance, Office of Administration - Administrative Hearing Commission, Department of Corrections, Department of Revenue, Department of Public Safety - Missouri Highway Patrol, Department of Mental Health, Department of Health and Senior Services, and Office of the State Treasurer** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

FISCAL IMPACT – Small Business

Modifying provisions relating to the license of interior designers could have a direct fiscal impact to registered interior designers as a result of this proposal.
