## FISCAL ANALYSIS

### ASSUMPTION

§§162.082, 162.301, 162.341, 162.459, 162.481, and 162.320 - Elections by a School Board of any School District Located in St. Charles County

Officials from the **Office of the Secretary of State, Platte County Board of Elections, St. Louis City Board of Elections** and **St. Louis County Board of Elections** each assume the proposal will have no fiscal impact on their respective organizations.

**Oversight** notes that the above-mentioned agencies have stated the proposal would not have a direct fiscal impact on their organization. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.

Oversight notes this proposal requires all elections for school board members of any school district in which a majority of the district is located in St. Charles County to be held at the November general election and makes all such terms four years. At the time of filing a declaration of candidacy, a candidate may optionally designate his or her party affiliation and consent to have such affiliation appear beside the candidate's name on the ballot.

The proposal further requires all proposals submitted to the voters of any school district in which a majority of the district is located in St. Charles County for the purpose of levying a new tax or renewing or increasing the levy of an existing tax, including for the issuance of bonded indebtedness, to be submitted at the November general election.

Oversight assumes this proposal will only effect school districts located in St Charles County. Any costs or savings as a result of this proposal are assumed to be minimal; therefore, Oversight will not reflect an impact in the fiscal note.

Oversight only reflects the responses that we have received from state agencies and political subdivisions; however, other Local Election Authorities, County Clerks and School Districts were requested to respond to this proposed legislation but did not. Upon the receipt of additional responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval to publish a new fiscal note. A general listing of political subdivisions included in our database is available upon request.
