FISCAL ANALYSIS

ASSUMPTION

§195.080 – Opioid Prescriptions

Officials from the **Department of Commerce and Insurance, Department of Health and Senior Services, Department of Public Safety - Missouri Veterans Commission and Department of Social Services** each assume the proposal will have no fiscal impact on their respective organizations.

Oversight notes that the above-mentioned agencies have stated the proposal would not have a direct fiscal impact on their organization. Oversight does not have any information to the contrary. Therefore, Oversight will reflect a zero impact on the fiscal note.

In response to similar legislation, SB 17 (2025), officials from the the **University of Missouri Health Care (MUHC)** stated they have reviewed the proposed legislation and determined that as written it should not create expenses in excess of \$100,000 annually.

Oversight assumes the costs incurred by the MUHC related to this proposal can be absorbed within current resource levels.

Oversight only reflects the responses that we have received from state agencies and political subdivisions; however, other nursing homes and hospitals were requested to respond to this proposed legislation but did not. Upon the receipt of additional responses, Oversight will review to determine if an updated fiscal note should be prepared and seek the necessary approval to publish a new fiscal note. A general listing of political subdivisions included in our database is available upon request.
