FISCAL ANALYSIS

ASSUMPTION

§57.540 – Compensation for the Attorney of the Sheriff of the City of St. Louis

In response to a previous version, officials from the **City of St. Louis** stated the proposed legislation would raise the salary limit for the position of Attorney of the Sheriff of the City of St. Louis. The current limit under the existing statute is \$15,000 (although payroll records may indicate current salary of \$25,000). Should the Sheriff of the City elect to raise this position's salary to the new limit, there would be an increase in cost to the City of at least \$50,000 in salary plus another \$14,000 in fringe benefits (FICA, pension, life insurance, etc.) bringing the total additional cost to nearly \$65,000.

Oversight notes in this version of the bill, the \$15,000 salary per annum is repealed and the sheriff will set the compensation for an attorney hired. Oversight is unaware how much the compensation will be should this proposal be enacted. Therefore, Oversight will reflect an unknown cost for this proposal.
