FISCAL ANALYSIS

ASSUMPTION

§§347.044 and 347.186 – Limited Liability Companies

Officials from the **Office of the Secretary of State (SOS)** state this allows each series to receive a Good Standing Certificate. As the current system is to allow one Certificate of Good Standing given to an LLC to be applied to all series created under the LLC, it is unknown how many companies will want to purchase these Certificates of Good Standing for each series.

The Secretary of State reserves the right to offset or request additional resources for estimated fiscal note impacts during the budget process.

In response to similar legislation, HCS for HB 2508 (2026), officials from the **Office of the Secretary of State** stated there are roughly 3,500 active individual series, many of which are not profiled. It takes roughly 5-10 minutes to profile and ensure that each individual series is searchable. This is equivalent to 290-585 hours of work (.25-.5 FTE). This cost can be absorbed.

Oversight assumes the proposal could result in additional filings and requests for certificates of good standing related to the series of limited liability companies. Any increase in filing fee revenue is indeterminate and dependent upon the number of businesses electing to form series under this section but is not expected to be significant. Therefore, Oversight will reflect no impact in the fiscal note.

Rule Promulgation

Officials from the **Office of the Secretary of State (SOS)** note many bills considered by the General Assembly include provisions allowing or requiring agencies to submit rules and regulations to implement the act. The SOS is provided with core funding to handle a certain amount of normal activity resulting from each year's legislative session. The fiscal impact for this fiscal note to the SOS for Administrative Rules is less than \$5,000. The SOS recognizes that this is a small amount and does not expect that additional funding would be required to meet these costs. However, the SOS also recognizes that many such bills may be passed by the General Assembly in a given year and that collectively the costs may be in excess of what the office can sustain with its core budget. Therefore, the SOS reserves the right to request funding for the cost of supporting administrative rules requirements should the need arise based on a review of the finally approved bills signed by the governor.

<u>FISCAL IMPACT – State Government</u>	FY 2027 (10 Mo.)	FY 2028	FY 2029
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

<u>FISCAL IMPACT – Local Government</u>	FY 2027 (10 Mo.)	FY 2028	FY 2029
	<u>\$0</u>	<u>\$0</u>	<u>\$0</u>

FISCAL IMPACT – Small Business

No direct fiscal impact on small businesses would be expected as a result of this proposal.

FISCAL DESCRIPTION

The proposed legislation appears to have no direct fiscal impact.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
