§§217.550 and 217.567 – Repeals the Advisory Board of Vocational Enterprises Program

Officials from the **Department of Corrections (DOC)** assume the proposal will have no fiscal impact on their organization. The DOC states the removal of the advisory board eliminates procedural delays while maintaining multiple layers of oversight through director authority, state audits, and legislative review.

Officials from the **Office of the Governor** and **Office of Administration** each assume the proposal will have no fiscal impact on their respective organizations. **Oversight** does not have any information to the contrary. Therefore, Oversight will reflect a zero impact in the fiscal note for these agencies.

This legislation is not federally mandated, would not duplicate any other program and would not require additional capital improvements or rental space.
