Dear Family Member,

We are honored to share with you news of a special upcoming event dedicated to your loved one's time and the mark they made in the Missouri Senate. Members of this esteemed body are currently planning a memorial service for those past senators who have paved the way for lawmakers currently serving in the Missouri Legislature.

Our Senate family goes back nearly 200 years, and we would like to take a moment during the upcoming legislative session to honor those senators who have passed away after November 2013. During this time, we would like to share with you our deep appreciation for their time and service to our great state.

Members of the Senate are keenly aware of the important role family members have played for those, past and present, who represent the citizens of this state. Without your love and support, the historical decisions and important laws made by the senators before us might have never come to light. Family is the glue that binds us together.

As the process of planning this memorial service continues, we welcome any questions you might have regarding this special event. Please contact Senate Administrator Marga Hoelscher ([marga.hoelscher@senate.mo.gov](mailto:marga.hoelscher@senate.mo.gov)) for more information. Visit the Senate's website ([www.senate.mo.gov](http://www.senate.mo.gov)) and click on the Senate Memorial link to follow the event planning as more details are finalized. Please check your schedule and plan to be with us on April 18, 2017 as we celebrate the life and legacy of your beloved family member.

Sincerely,

Ron Richard
