SOCIAL SECURITY

Almost every American reaching age 65 today is eligible for Social Security benefits. Those reaching this age need to check their eligibility with the nearest Social Security district office at least 3 months before their 65th birthday. They may apply for these benefits at age 62 if they prefer, but early payment will reduce the monthly benefit amount for the rest of their life. Social Security district offices can give citizens specific personal information. Individuals need to take their birth certificate and Social Security card with them when they visit the SSA office.

Social Security Administration Office(866) 563-9108
803 Gray Oak Drive, Columbia 65201 www.ssa.gov

The Social Security Office also makes determinations on claims for disability benefits. Benefits are paid to people who are totally disabled if they have worked five of the last 10 years. A new program has taken the place of the federal-state programs of public assistance payments to aged, blind or disabled individuals. Citizens may apply for this assistance, called "supplemental security income payments," at the SSA office.

Upon turning 17 or moving to Missouri, anyone desiring to register to vote in the state can do so by taking valid identification to a local registration location. This must be done by the 4th Wednesday prior to any election in order to vote in that particular election. After becoming 18 and registering, citizens are then eligible to vote in any election.

To obtain a list of local places to register to vote, contact the **Boone County Clerk at (573) 886-4375, Cooper County Clerk at (660) 882-2114** or check any of the following places:

- local library

- local school district office

If citizens need to vote by absentee ballot, they can do so by mail or in person. In addition, a relative or guardian may apply for them at the county clerk’s office:

Boone County — **Boone Co. Government Center, 801 E. Walnut, Columbia 65201**
Cooper County — **200 Main St., Rm. 23, Boonville 65233**

Absentee ballots may be obtained if a person is absent from the county on election day, ill or disabled, has religious beliefs or practices preventing voting in person, is employed by an election authority, or is in the armed forces.

Once a citizen has applied for and received the absentee ballot, they need to fill out all information on the envelope provided. The ballot then must be sent by mail or delivered in person to the election authority.
